ABOUT US

Noank Community Support Services (NCSS) is a private nonprofit with nearly 50 years of experience providing shelter in home-like settings for youth and young adults. NCSS also provides ongoing support for those living with chronic mental illness, trauma recovery support for children, and community housing assistance throughout Eastern CT.

Why attend? Connect with fellow community members and support life-changing services provided by NCSS. By attending you will help us provide vital personalized care and a place for our community's most vulnerable youth to call home.
